Note: The year end results were calculated per the following.

Each participant automatically received five (5) participation points for each monthly match fired. Points are then awarded by rank and number of shooters in the category for that month.

Example: The top shooter in a category of 10 shooters would receive, 5 participation points plus 10 pts for 1st place, totaling 15 pts for that month. the 2nd place shooter would receive 5 participation points plus 9 pts for 2nd place for a total of 14 pts for the month.

Year End Prizes Issued to 1st Place Shooters in Each Category (more than 3 shooters with over 2 months participation)
