

## STEEL RANGE USAGE FORM

Erie County Conservation League (ECCL) is happy to offer a Steel Range Bay on the West Ranges for a fee of \$25 per calendar year, January 1 through December 31. To renew your access each year the steel range fee is provided on your membership renewal form.

**If you are paying for this usage for the first time you must complete the form and either mail or email it back to the Club.** The mailing address is: ECCL, 815 Mason Road E, Milan, Ohio 44846 and the email to use is: [ecclclubhouse@gmail.com](mailto:ecclclubhouse@gmail.com)

In addition to the form and payment each member is required to complete a short Steel Range Rules Orientation session before you can access this area. These sessions are typically held following a General Meeting or immediately after the New Member Orientation session (Please check the current schedule).

Your club badge will be activated upon receipt of payment, this form and the RSO confirming your attendance to the orientation. *For those paying online, your acknowledgement on the payment form will take care of the paper requirement.* Those paying by check must include a copy of this completed form.

To enter simply swipe your badge over the electronic lock at the Steel Range Bay Gate. **ONLY MEMBERS may use this range at this time.** Please do NOT open the gate for another person entering. They **MUST** use their badge to swipe into this area. Failure to comply could mean access being denied in the future.
